SAFETY ALERT

Date: January 4, 2013
To: Users of the digital-Visual Charts (d-VC) East DVD
From: Aeronautical Navigation Products (AeroNav Products)
Subject: Charlotte Sectional 91 and Charlotte TAC 48 Incorrect

Correction to digital-Visual Charts (d-VC) East DVD

The d-VC East volume of the 1301 digital-Visual Chart (d-VC) DVDs, effective January 10, 2013 contains an error. The 91st edition of the Charlotte Sectional and 48th edition of the Charlotte Terminal Area Chart (TAC), effective January 10, 2013 were saved as tiled in ArcMap, which made them unusable for some software application. The following files are affected:

File	File Date
Charlotte TAC 48.htm	12/17/12
Charlotte TAC 48.tfw	12/17/12
Charlotte TAC 48.tif	12/17/12
Charlotte 93 North.htm	12/18/12
Charlotte 93 North.tfw	12/18/12
Charlotte 93 North.tif	12/18/12
Charlotte 93 South.htm	12/18/12
Charlotte 93 South.tfw	12/18/12
Charlotte 93 South.tif	12/18/12

Hyperlinks to the corrected files may be obtained by contacting:

FAA Mission Support Services AJV-372
AeroNav Products Logistics Group
10201 Good Luck Rd.
Glenn Dale, MD 20769-9700
301-436-8301 or 800-638-8972
Email: 9-AMC-Chartsales@faa.gov

The 1302 volume, dated February 7, 2013, will have the corrected files.
