# SAFETY ALERT

Date: February 7, 2014  
To: Users of New York Helicopter Route Chart  
From: Aeronautical Navigation Products (AeroNav Products)  
Subject: Mandatory Use of the North Shore Helicopter Route

---

---

### North Shore Helicopter Route

Until further notice, civil helicopter pilots operating VFR along the northern shoreline of Long Island, New York between the **VPLYD Waypoint** and **Orient Point**, must utilize the North Shore Helicopter Route and altitude, as published. Deviations are permitted for safety, weather conditions, or transitioning to or from a destination or point of landing. For a detailed explanation of the requirement, See **14 CFR part 93, subpart H**.
