<p>The diagram shows a horizontal runway layout. At the left end, a vertical line indicates a bearing of 097°. The runway is labeled '10' at the left end and '28' at the right end. A star symbol is positioned in the center of the runway, with the number '2165' above it. Below the runway, the text '5300 X 100' indicates the runway dimensions. To the right of the runway, there are two circular symbols: a solid black circle labeled 'A4' and an open circle labeled 'C'. Above the runway, the text '0.4% UP' with an arrow pointing right indicates the runway slope. The entire diagram is enclosed in a rectangular frame.</p>
